In Mysore,

BANGALORE.

Respected Sir,

I beg to submit this my application for an appointment in any department of Government.

I am the son of Mr. Guru Rao Sirsi, who was cut off in the prime of life, when he was acting Executive Engineer, and the grandson of Mr. Ananda Rao Sirsi, who was Deputy Commissioner and President of the Bangalore city Municipality and who served the State long and faithfully, but did not live to enjoy the hard earned pension. Both the families of Mr. Guru Rao and Ananda Rao were left in no affluent circumstances and they are both ever grateful to the benign Government for their sympathy and generosity in having granted scholarships to such of the children as were studying in school or college to enable them to pursue their studies.

I was one of the fortunate recipients of such scholarships and I passed the B.A. degree Examination of the Mysore University two years back. Immediately after my graduation, on my representation to the Dewan, Government were pleased to recommend my name to the Inspector General of Registration for being appointed in the then advertised permanent general vacancy of a Sub-Registrar's post. A copy of the endorsement received from Government in this connection has been appended to this application. I was not however fortunate enough to get the place in spite of the Government order. Since then I have been trying to secure a permanent appointment in any of the Government departments, but to my ill-luck I have not been successful so far. I have now been working in the Census Superintendent's Office for the past one year, and this appointment

is

is likely to terminate shortly. In view of the Goverment endorsement referred to above and of the Government order No M.4600-660 Census 14-21-21 dated the 11th April 1922 which made provision for the employment of the discharged employees of the Census department, I approach the benign Government with the humble request that I may kindly be provided with an appointment in any of the permanent Government departments in continuation of my services in this office. I shall spare no pains in giving satisfaction in the discharge of my duties As regards my work in the Census Department I leave it to my superior Officers to speak about the nature and quality of my work.

I beg to remain
